

*The Phone Co-op*

Run for people not for profit

# Why should big business decide the cost of your calls?

...when you could be part  
of the UK's only  
telecommunications  
co-operative.

Because we're owned and controlled by our customers, you can expect a fairer deal from us. You can trust us to deliver quality and reliability, and a more ethical and environmentally responsible approach to business.

- Save money on phone calls
- Special rates for charities, co-ops and voluntary bodies
- Free 0845 (local rate) numbers to promote your organisation
- Installation, integration and ongoing management of telephony and data systems
- Raise money through an affinity scheme
- The chance to be a member, share profits and have a voice in the way *The Phone Co-op* is run
